CASUAL JAPANESE DINING WITH A FOCUS OF  
WARAYAKI, ROBATAYAKI & GENSHIYAKI GRILLING

以稻草烧、炉端烧和原始烧为主的休闲日式餐厅

Welcome to **KA-MON**,

where tradition meets fun around the open flames. Inspired by iconic Japanese three grilling techniques of “Irori, Robatayaki, and Warayaki”.

Our name, a blend of family heritage and playful invitation, welcomes you to an unforgettable dining experience. KA-MON helmed by our Signature Chef Hal Yamashita and our very own Singaporean Chef Jared Ng.

Savour inventive Japanese grilled dishes prepared before your eyes. Feel the warmth emanating from the three grills. Energy flows through KA-MON creating the distinctive ambience. The high, intense heat and pure burn of the charcoal creates a crunch outside that preserves the juicy, delicious inside, giving it a unique, pure flavour.

We focus on the very best ingredients, freshness, and sourced sustainable and in support of regional and local farmers where possible.

All our dishes are suitable for sharing.

Itadakimasu!
