- You may customize the options to view on the dashboard. (Maximum up to 4 tiles per dashboard.)
- Click on “More” to view more options and click on “Manage Default Tiles” to select.

The screenshot displays the SAP Ariba Network Enterprise Account dashboard. The top navigation bar includes 'SAP Ariba Network', 'Enterprise Account', and 'TEST MODE'. Below this, there are tabs for 'Home', 'Inbox', 'Outbox', 'Catalogs', and 'Reports'. The main content area is titled 'Orders, Invoices and Payments' and features a grid of tiles. A red box highlights the top row of tiles: 'Orders to Invoice', 'Orders that Need Attention', 'Invoices Rejected', 'Purchase Orders', and a 'More...' button. A callout box labeled 'Options to view' points to the 'More...' button. Below the grid, a 'Manage Default Tiles' button is also highlighted with a red box. The dashboard also includes a search bar, filters for 'All Customers' and 'Last 14 days', and a sidebar with 'Documents' and 'Create' options. A mobile app promotion is visible on the right side.

Enterprise Account (EA) : Collaboration

- The Sourcing Buyer needs to invite you to collaborate before you are able to view the “Collaboration Requests”.
- To locate the “Collaboration Requests”, click on “More” to view more options.
